Your Moral Compass

If potential buyers approach you during the event wanting to cut a deal after the event to save them the 30% commission, not cool, right? And if a buyer should connect with you within 3 weeks after the event because they saw your work AT the event, we ask that you direct the handling of the sale through the event as it would not have happened without our promoting the work.

4th Fridays acts as an agent for the artists to submit, exhibit and sell artwork. Sales tax is collected and paid on each sale. Artists are responsible for compliance with their own income taxes on the sale of their artwork.

Copyright

Artists are responsible for understanding and following any copyright laws and international trade laws that may apply to their work. "4th Fridays" assumes no responsibility for checking copyright permission. We reserve the right to modify these guidelines as circumstances arise.
